Active August

This is the month of Young ones! Our sponsor this month is Meredith Pick who is the Director of McCallum Dallas

Wow have these young BPW women got a great night planned for us on the 21st August.

We have two BPW national guests and one international young BPW guest from France coming!!

They are also running a raffle so members who cannot attend the meeting can also purchase tickets. Don't forget to invite a young woman (35 and under or younger than yourself, lol) to this evening of young fun.

It would be really great if you wouldn't mind wearing yellow in celebration of BPW day as they thought we could get a photo on the night and post it on the 26th!!!!

Your President

What a great mulled wine and books night we had in July. Thank you to Pam our guest speaker who made the night and to you all with your book reviews. Also to Linda for the fireplace and ambience! Thanks for putting the picture up on facebook, it was great and we got a lot of feedback.

Did you know?

Founding President Dr Lena Madasin Phillips said:

"Each woman, as a citizen, must bring to the national policy of her own country, the contribution of forward-looking and constructive thought followed by determined action.

Each woman must dedicate herself to protect and promote the interests of all other women in business and in the professions."
