Outstanding October

October already, daylight savings, wow! Our sponsor this month is Garden Edge – our lovely member Lynne Newell Thank you so much Lynne.

On Monday night we have two dynamic young women who have just opened up businesses in our outstanding town – Grace McCallum – This + That and Trisha Tasker – Someday.

This + That is located on High St and has, Flowers, prints, books, gifts, body stuff, jewellery and homewares. Someday is on Princes St and is a new café/ restaurant which is vibrant and getting great reviews.

It is also Pink Ribbon month - breast cancer awareness: PREVENT, TREAT, SURVIVE. Did you know 1 in 8 women will be diagnosed with breast cancer? The good news is that a healthy diet and exercise routine can reduce your chance of breast cancer by nearly 40%! It's important to know the symptoms of breast cancer because when caught early, breast cancer has a 98% survival rate.

If you have a pink ribbon then please wear it to our dinner meeting.

Our Annual General Meeting will be happening which I need for you all to think of positions for yourself or if any of you would like to nominate someone that you feel would be just perfect or has said to you they wouldn't mind joining our executive. A couple of these lovely ladies are stepping down from the executive due to many more commitments so please don't be shy to put your hand up. Just email me privately

Our September dinner meeting was the day before Women's Suffrage Day (19 Sept) and thanks to Desiree for bringing the information board on the significance of the green, white and violet colours (Give Women the Vote) together with Linda who kindly raided her garden for white "Kate Sheppard" camelia flowers for table decorations. Our guest speaker for the night was Jenny Oakley and learning to do the hanging basket the right way was great. A lot of you were ill but we made up for you, it was fantastic.
